

# 關東鑫林科技股份有限公司環境安全衛生政策

## KANTO-PPC Environment Safety and Health Policy

發行日期：2021/1/20

關東鑫林科技股份有限公司為高純度化學品之專業製造廠，主要供應半導體與液晶面板製程用化學品。為求企業永續發展，秉持「污染預防、持續改善及重視員工生命」之理念精進環境安全衛生管理系統，期許全體同仁共同遵守下列承諾：

KANTO-PPC is a specialized manufacturer of high purity chemicals for the processes of semiconductors and flat panel displays. For the sustainable corporate development, the philosophy of “pollution prevention, persistent improvement and respect for employee lives” is upheld to upgrade the Environment Safety and Health system. All employees are anticipated to comply with the following commitments:

**\*遵守並符合環境保護、安全衛生法令規章及國際公約與客戶要求。**

Comply with the laws of environmental protection, regulations of occupational safety and health, international conventions and customers' requirements.

**\*推行再利用活動，減少物質的濫用，降低污染及能源的消耗，善盡企業社會責任。**

Carry out recycle activities to reduce the abuse of materials and lower pollution and energy consumption, and be good at Corporate Social Responsibility.

**\*透過教育訓練、宣導提升同仁、廠商及相關團體環安衛意識及安全防護。**

Promote ESH awareness of employees, suppliers and related organizations through training.

**\*進行污染防治、傷害與疾病預防，制定目標及方案，持續改善提升環安衛管理績效，建構安全與健康的職場。**

Conduct pollution, injury and illness prevention, establish goals and plans to constantly improve the performance of ESH management, and build a safety and healthy workplace.

**\*提供環保及安全衛生資源及諮詢管道，全員參與環安衛管理系統之推行。**

Providing the resources and consulting channels for Environment, Safety & Health(EHS), and all employees participate in the implementation of the EHS management system.

全體員工應遵行本政策並對客戶、供應商及社會大眾公開宣示。以實際行動達成目標及遵循作業管制來實現我們的承諾。

All employees shall comply with the policy, publicly declare to suppliers and social community and take concrete actions to achieve the goals and follow the operation management guidance to fulfill our commitments.
